Section II: Use of Funding

By signing this document you are certifying that the funds received through the COVID 19 Hospitality Industry Recovery Program Grant will be used appropriately as follows: No funds received through this program may be used for the same purpose that other grant or loan funding is reported to be used for. This includes but is not limited to payroll and personal protective equipment expenses. A duplication of benefits (DOB) occurs when a person, household, business, sub-recipient, or other entity receives assistance from multiple sources for a cumulative amount that exceeds the total need for the same purpose. The amount of the duplication is the amount of assistance provided more than need. When assistance covers only a part of the recipient's needs, additional assistance to cover needs not met by other sources will not cause a DOB; assistance may only pay for eligible activities to address unmet needs. If (Subgrantee) receives funding from another source for expenses that are reimbursed by this agreement, (Subgrantee) hereby attests to immediately notify the Economic Development Corporation and County of the duplication of benefits and return such funds. Funding sources that are covered under DOB include:

1. The CARES Act or Consolidated Appropriations Act, 2021 money that is not required to be repaid to the Federal Government.
2. The act of May 29, 2020 (P.L. , No.2A), known as the COVID-19 Emergency Supplement to the General Appropriation Act of 2019.

Funds may be used for eligible operating expenses. Eligible operating expenses are defined as an operating expense, including a payroll and nonpayroll expense, that is both ordinary and necessary. An ordinary expense is one that is common and accepted in an eligible applicant's industry. A necessary expense is one that is helpful and appropriate for an eligible applicant's trade or

business. For purposes of determining an eligible operating expense, the following limitations shall apply:

- The operating expense must have been incurred between March 1, 2020, and June 15, 2021.
- For a mortgage and rent obligations must have been in force before February 15, 2020.
- For utility costs, service must have begun before February 15, 2020.

Funds that are used through this program MUST be itemized and reported to the County of Bucks by July 15, 2021. Any funds that are not utilized must be returned to the County by July 15, 2021.

Section III: Acknowledgements

By signing this document you are acknowledging that the information provided to the county through this program is subject to Right to Know Law and that you are aware of what this means for your personal records.
